

POSCA POSCA Display & Stock

Our newly revised free standing POSCA display holds the extended POSCA range. Ideal for retailers that stock a large selection of the POSCA range. This modern design display unit is made from a 12mm Plywood timber and features acrylic lockable doors for security and a metal storage box at the base for additional storage. Each tip size is clearly outlined with an image and product information.

POSCA TIP SIZE	ALLOCATION	TOTAL UNITS
PC1MR	24	120
PC1M	24	120
